AtliQ Café

July 2026

₹ 4.99 cr

August 2025

₹ 3.84 cr

August 2026

₹ 4.71 cr

Today’s question

Which number is the honest one, and what would you need to know before you could say?

Bonus question

AtliQ Café had 33 stores last August and has 40 now. What does that do to the 22.7%?

AtliQ Café

My Answer

“ Nothing is wrong. Both are honest. Each answers a different question ”

Month over Month : July to August 2026

- 5.6 %

The decline is valid

July

Holidays and a strong seasonal run

August

Few outlets closed for events

Year over Year : Aug 2025 to Aug 2026

+ 22.7 %

The growth is valid

Same month

Seasonality is out of picture

Outlets

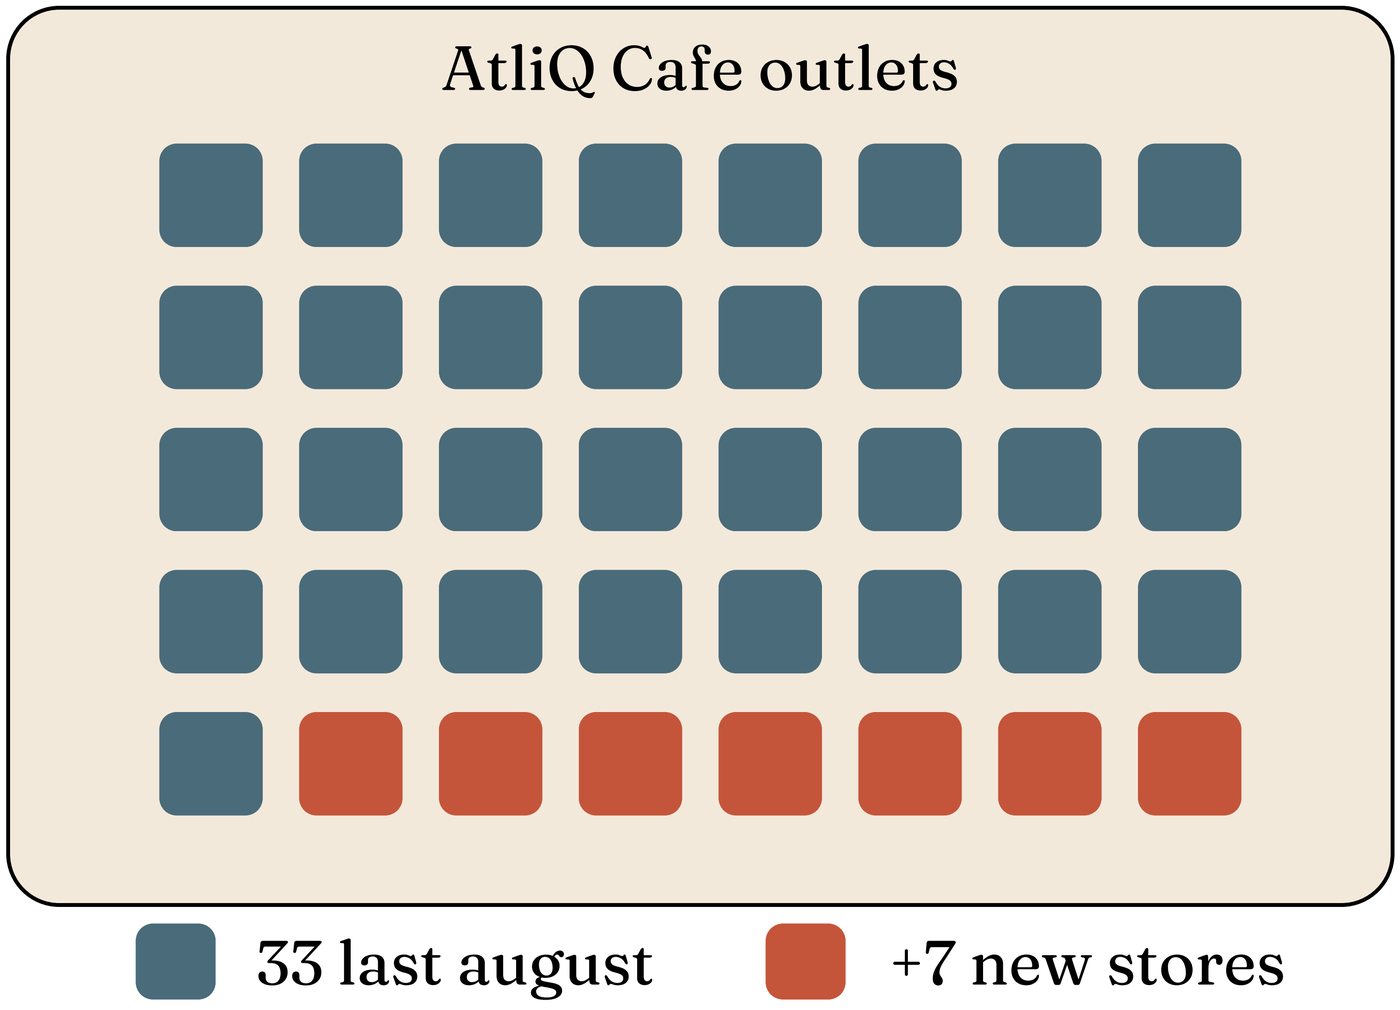

33 last August, to 40 now

“ Match the number to the question being asked ”

AtliQ Cafe

Bonus Answer

“ Most of the growth came from opening stores ”

Stores + 21.2 %

33 → 40

Revenue +22.7 %

₹3.84 cr → ₹4.71 cr

Revenue per store

₹ 11.64 L → ₹11.78 L

1.2 %

Day 11 lesson

before you quote growth, ask whether what you measured
