Today’s question

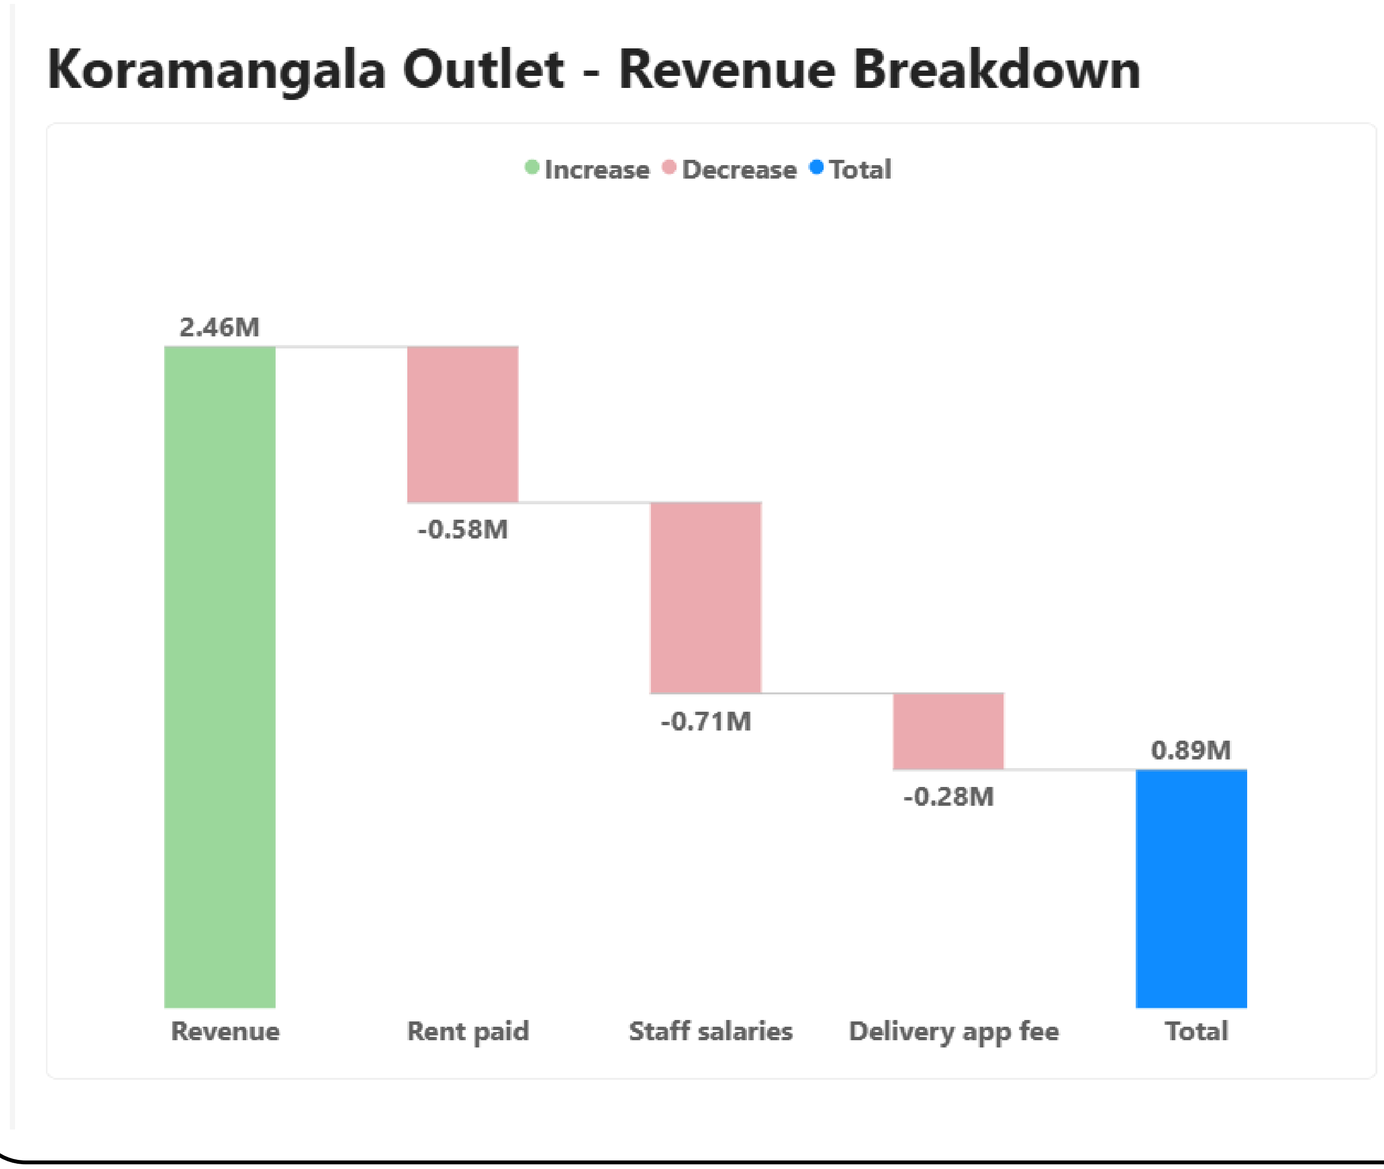

Koramangala is the highest revenue store in the chain. Is it the best store?

Bonus question

Jayanagar did ₹9.80 lakh and ranked 22nd. Which of the two would you rather own?

My Answer

“ Highest revenue is not the best store ”

Remaining after rent, staff, delivery

Cost of goods not provided

Utilities and others not provided

= Store profit ?

“ Revenue shows what comes in, Profit shows what stays ”

Bonus Answer

“ Check Jayanagar's cost lines before opening a second outlet ”

Koramangala — Rank 1

Revenue **₹ 24.60 Lakh**

Remaining **₹ 8.90 Lakh**

after rent, staff, delivery fees (before other costs)

Jayanagar — Rank 22

Revenue **₹ 9.80 Lakh**

Remaining **?**

after rent, staff, delivery fees (before other costs)

My pick: Jayanagar, if its profit margin is higher than Koramangala's.

Day 12 lesson

Before you rank stores on what they earn, check what they keep
