AtliQ Café

Mean Bill
₹ 285

Median Bill
₹ 205

1,65,300 Orders in August

Today's question

Which number do you send Kavya, and why is the other one wrong for her decision?

Bonus question

What kind of order is pulling the two apart? One guess.

My Answer

“ Send the median, It is the typical bill ”

Price is for the typical customers, not the total

AttiQ Café

DAY 8 / 30

Bonus Answer

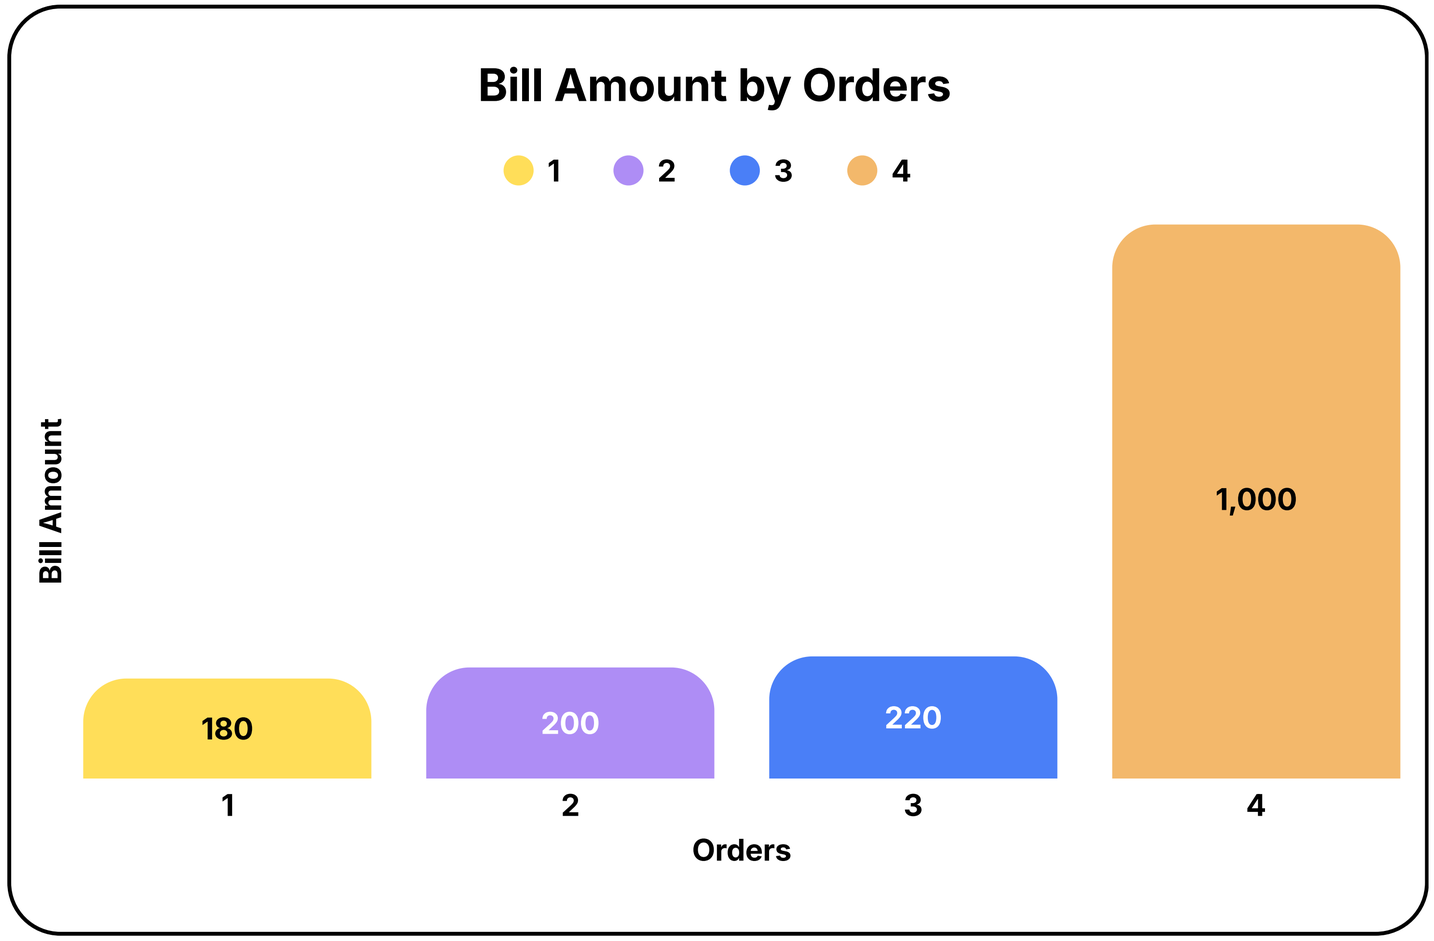

“ Big group orders pulls the mean up ”

Group and bulk orders

Party | Catering | Office lunch

Mean ₹400

Median ₹210

Day 8 lesson

The gap is the findings

Mean is for total. Median is for typical
