AtliQ Café

Every CV in the pile says this

Experience

Built dashboards and reports for a 40-outlet cafe chain using SQL and Power BI.

Same line. Every CV.

What I found in 29 days

₹72,000 loss a month by top ranked store.

₹12 Lakh cancelled orders sat inside the total revenue.

A trip to Pune for a lesson that did not exist.

Today's question

Rewrite that line. What has to be in it?

Bonus question

One of those three stories is the strongest for a CV. Which, and why?

AtliQ Café

My Answer

“ Four parts to fix this line. ”

Action words | Specific number | Business thinking & Teamwork | Tools

Analyzed 40 outlets of sales data and examined the ₹ 12 Lakh revenue gap caused by the cancelled orders mistakenly included in revenue. Developed store level reports and applied business thinking and I flagged ₹72,000 monthly loss at the top ranked store.

Collaborated with cross functional departments like Marketing and Finance analysis.

In conclusion validated the results using the tools Excel, Power BI and MySQL.

Document the full story with STAR.

S Situation | T Task | A Action | R Result

“ Action words show the work. Numbers prove it. ”

Bonus Answer

“ Koramangala is the strongest story. ”

Careful work — **Judgement**

₹12 Lakh cancelled orders in the total revenue.

₹9.8 Lakh of Dadar sales dropped in an INNER JOIN

Strongest

The top store was losing ₹72,000 a month.

Day 29 lesson

“ Your CV should name the decision you changed, not the software you opened. ”
