Sachin “The board meeting in 40 minutes”
9:00

Send me the September picture. I’ll have 30 seconds to look at it
9:00

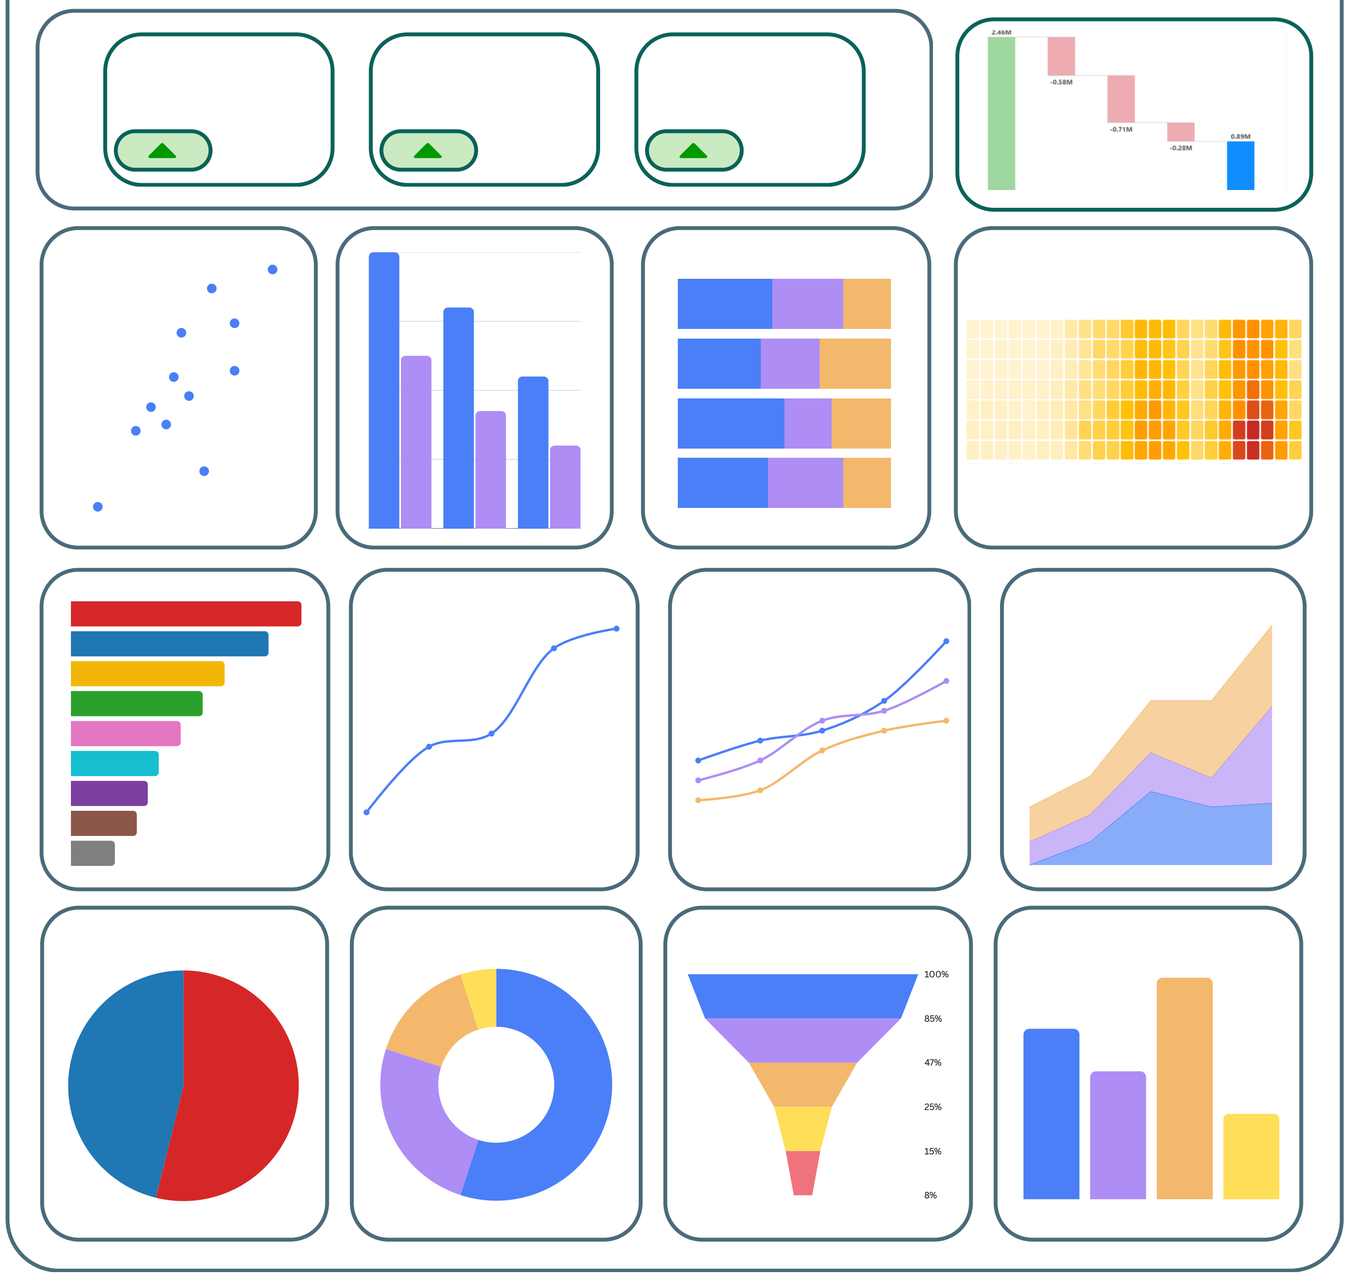

Today’s question

What goes on the one slide you send him?

Bonus question

What happens to the other thirteen visuals?

My report **14 visuals**

My Answer

“ Compare every number. Name the one problem.”

September picture

Revenue	Same-store growth	Store Contribution

Flag Yelahanka daily revenue is down 9% vs last quarter

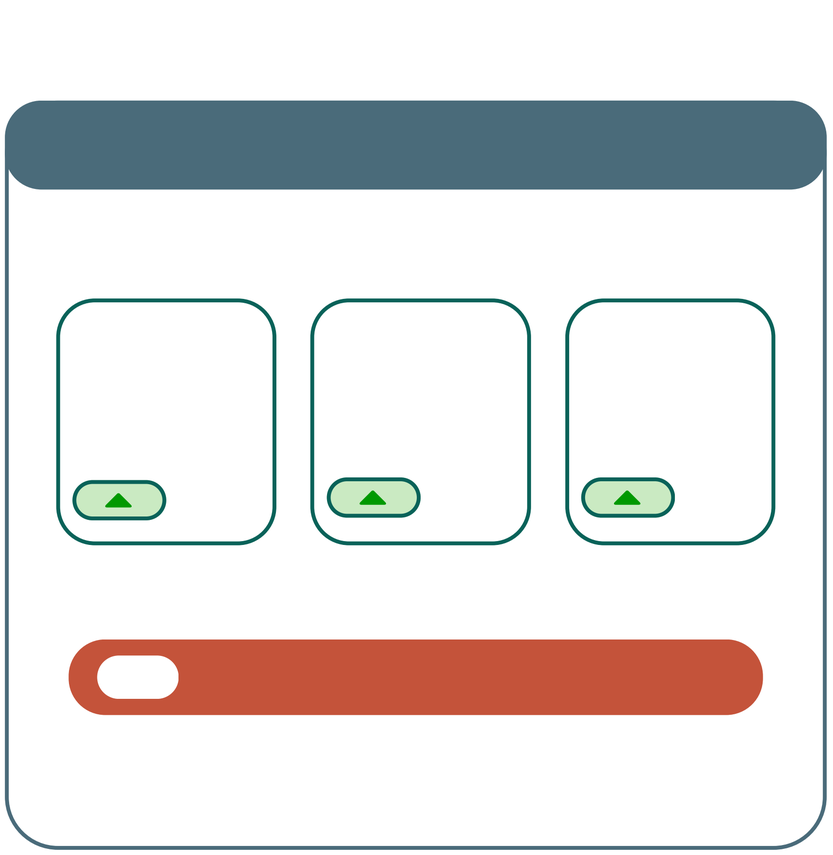

“ Every KPI has a benchmark. The flag shows what needs action. ”

AttiQ Café

DAY 23 / 30

Bonus Answer

“ The remaining visuals stay ready as backup ”

Day 23 lesson

“ A number alone is a fact. A number with a comparison is an insight. ”
