R **Ritu - Manager**
Online

Friday

Sachin, “ Can you make the dashboard smaller? ”
9:00

I only ever look at the top left.
9:01

Today’s question

What is your test for keeping a visual? Give one sentence a visual has to pass.

Bonus question

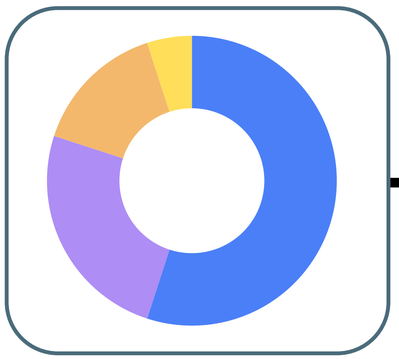

One of the fourteen is actively harmful, not just unused. What kind of visual would that be?

Store dashboard **14 visuals**

My Answer

“ A visual stays only if it passes both checks. ”

Any visual

Check 1

Does it answer their question?

Yes

Check 2

Can they take action from it?

Yes

Stays on the main report

No

No

Moves off the main report.

“ The manager needs decisions, not a full page of visuals. ”

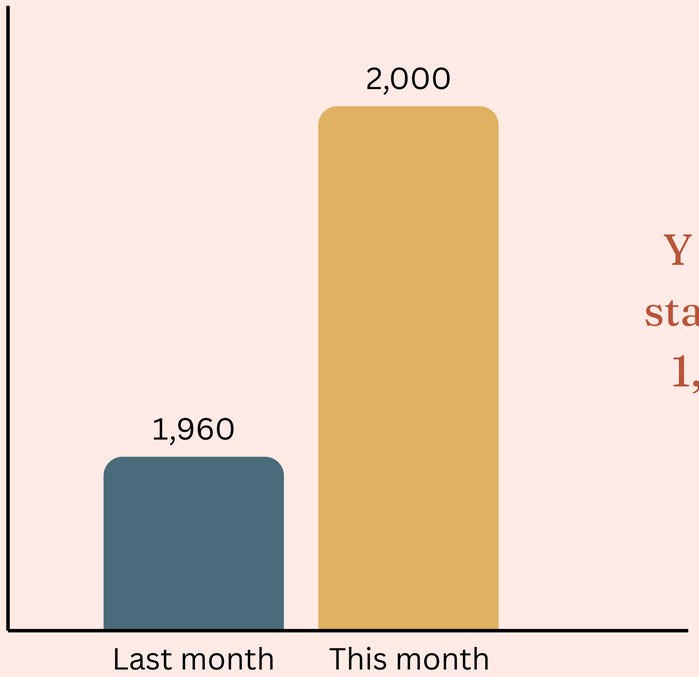

AtliQ Café

Bonus Answer

“ The harmful visual is the one misleads. ”

What the chart shows

Repeat orders

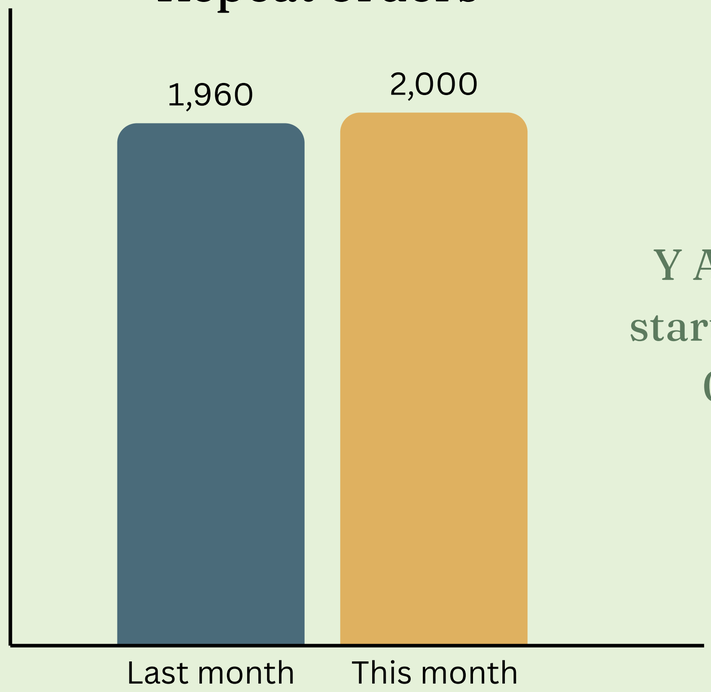

Y Axis starts at 1,940

Looks like 3x growth

What is true

Repeat orders

Y Axis starts at 0

Only 2% up

Day 25 lesson

“ Every visual should name the decision it changes.
The rest is noise with a colour scheme. ”
